

This week at the Current we traveled to Central Europe to visit Poland, sampled some of Europe's best drinks, opened up the Current to submissions, and more. As always, catch up on what you missed with our Week in Review.

Country of the Week: Poland

Poland was our Country of the Week. While its history isn't always pleasant, there's no denying that the country has been at the heart of some of the regions major events throughout its existence. Learn more [HERE](#).

The (Drink) Belts of Europe

We started in Britain and Ireland (the beer belt), headed down through France (the wine belt), and ended up in Russia (the vodka belt). See which drinks are synonymous with which countries as we journey through the entire continent of Europe - sampling the best beverages as we go! Read more [HERE](#).
