### A Change in Direction

We can't thank you enough for subscribing to *theCurrent* review. We've shared some great adventures...but there are plenty more to come! In the future, our newsletter will encompass all things Continental - from highlights in our new travel database (previewed below) to amazing deals, giveaways, events, and more! Of course, there will always be new articles featured as well as exciting changes to our social media accounts.

While we may not have a weekly recap of every new post, rest assured that you'll still be seeing the best Continental and our writers have to offer - along with so much more! From now on, you'll get the exciting content you care about in an even more convenient and accessible way. Thanks again for being a part of the Continental family...we can't wait for the next chapter with you all!
