

This week at the Current we traveled to one of Europe's most exciting countries, looked back on a busy year in the business world, escaped from the cold, answered some questions on the loonie, and more!

2015 in Review

2015 was quite a year in the world of business. While we've been covering the events across the world in Headlines each week, we wanted to take a longer look back at what made waves this past year. From low oil prices to the very real fears of a Grexit - it's all [HERE](#).

Country of the Week: Germany

Germany was our Country of the Week. As with most European nations we had to step far back into the past to journey from the days of Rome all the way to modern European integration. Learn more [HERE](#).
